Dear Public:

The Bureau of Land Management (BLM) is beginning the development of an Environmental Assessment (EA) covering the sale of lands described under the Lincoln County Land Act of 2000 (LCLA) (P.L. 106-298) located in southeastern Lincoln County approximately one mile north of Mesquite, NV. The LCLA was signed into law October 13, 2000 and it directed that BLM dispose of the land through a competitive bidding process. BLM intends to offer about 6,366 acres for disposal this calendar year, 2004.

The EA will re-address the Phase I land sale which was offered for sale in October 2001. This EA will address new information which has been developed since the first sale in October 2001. The next sale is expected to occur in August of 2004.

If you want to continue in the EA process for the re-evaluation of the Phase I sale please fill out the form provided. If you have any questions concerning the proposed land sale, please call Dan Netcher of my staff at (775) 289-1872.

Sincerely,

Gene A. Kolkman
Ely Field Manager

I would like to remain on the mailing list to receive further information.
